The ultimate laptop

Surface Book is a high-performance laptop with exceptional power and versatility. It weighs just 1.58Kg and its 13.5-inch PixelSense™ has incredible resolution (3000 x 2000). It's calibrated for true-to-life color, with high contrast and low glare. Detach the screen to use like a clipboard, or rotate and reattach the screen to use the full hardware accelerated graphics.

Surface Book Features

- * 6th generation Intel processors
- * Windows 10 operating system
- * 13.5-inch PixelSense™ touchscreen (3000 x 2000)

Surface Book is Ideal For

- * Ultimate versatility
- * Exceptional performance
- * Running Windows & Office
